LexisNexis Webinars

2011 Schedule

Professional training **anytime, anywhere...**

LexisNexis webinars offer you a fantastic opportunity to take part in quality interactive training without leaving your desk, saving you the most valuable commodity – time.

Each webinar consists of a one-hour, live and interactive audio-video web broadcast, delivered by leading industry experts and is worth 2 CPD points.

An individual webinar delivers two hours of CPD training for just £89, a subscription delivers this considerably cheaper for just £600 for a 12-month subscription of 8 webinars, with substantial discounts available for multiple user bookings.

A 12-month webinar subscription ensures you receive all the training and CPD points you need and because you choose the time and place, there's virtually no impact on your working day and absolutely no travel costs.
